ALIENS ARE A DECEPTION
They Come With Light–
But Bring Darkness
THE WORLD WILL FALL FOR THE DELUSION
(2 Thessalonians 2:10–11)

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.
Ephesians 6:12

AS CHRISTIANS WE WERE LEFT HANGING BY THE JROCCC

Disclaimer: It is not that these stories of the Talmud Immanuel, Emmanuel, Jmmanuel do not exist in the Bible it's just that no one in our JROCCC churches taught them. They were forbidden knowledge. They were loosely or briefly mentioned in Bible texts and were always shrouded in symbolic language that was implied by the writer briefly so that they could be glossed over and ignored by JROCCC teachings. The existence of aliens was secret knowledge. This was data that people did not have the NEED TO KNOW. As a result the JROCCC ignored the data and the ramifications that surrounded it. Most Christians NEVER READ THE BIBLE they simply read "Out of Context Verses" which are quoted from the pulpits and in Sunday school stories etc. If a minister quoted Ephesians 6:12 out of context he never went into who the powers and principalities of the air or rulers of darkness were. He just went on with his sermon and left people hanging as to who they were and where these high places were.

Now with the story of the Talmud Immanuel, Emmanuel Jmmanuel we can fill in some of these blanks the JROCCC does not want us to talk about. The story of the Talmud Immanuel fits inside the storylines in the Bible as well. The story completes the picture so to speak. The story seems to be told to those of us who have "EYES TO SEE AND EARS TO HEAR" because in the end it promotes what Jesus talks about and relegates the Talmud Immanuel, Jmmanuel, Emmanuel to a mere Jewish prophet along with the teachings of the alien

Ish Wish (past name for aliens) or Ånunnaki Elohim gods. The story warns us to follow Jesus teachings in the end.

IT IS CLEAR AS A BELL THAT THE JEWS TOOK THEIR OLD TESTAMENT STORIES ABOUT THE ORIGIN OF ADAM FROM ANCIENT SUMERIAN LEGENDS as did the HEBREWS. THERE IS NO DOUBT ONCE YOU START TO CONNECT ALL OF THE DOTS. My point is that these stories are about people groups who **WORSHIPPED ALIENS as gods**. Yes, the bloodlines from Adam, to Abraham and Sarah, including King David, are all alien human hybrid bloodline members who worshipped aliens as gods. This data was primarily alluded to in the Old Testament.

When you learn about the legends and teachings of the Elohim gods of Gan-Eden or the Garden of Eden, which Jesus referred to as the **OLD WINE,** it is also clear that Jesus and the Apostle Paul warned us about these evil POWERS AND PRINCIPALITIES of the air when he taught his "**NEW WINE**." It is clear to me that Jesus was NOT the Talmud Immanuel, Emmanuel, Jmmanuel also, that he is/was a spiritual being who appeared on earth but was not born on earth. You discover this as you begin to pull their identities apart. Example: It was probably the Talmud Immanuel who spoke in the Jewish temple not Jesus. Jesus miracles such as walking on water, appearing and disappearing etc., were most likely Jesus. You need to start doing this yourself.

If we are living at the End of the Ages period today which most of us think we are than you need to know that these aliens are coming back to help the DEEP STATE install their New World Order and at the same time pretend to be Jesus and the WATCHERS. You need to prepare yourself for the FAKE ALIEN CARD and a mass alien abduction if it does happen.

PROPHECY TELLS US THAT THESE EVIL ALIENS WILL BE BACK TODAY

Disclaimer: I have never seen an alien or anything I write about whether it be Dogman, Bigfoot or any other subject matter that is DARK. I am simply a sort of INVESTIGATIVE REPORTER DOING HER HOMEWORK AND SHARING WITH YOU ALL THAT I HAVE FOUND IN THE PROCESS.

1John 4:4 KJV
"Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world."
1 John 4:

As I travel down these yellow brick roads looking for puzzle pieces to my massive End of the Ages Puzzle one thing I am finding is that these evil demonic gods and chimera etc., bleed and DIE. They use technology to protect themselves and to accomplish their tasks with people but they are venerable to human beings and to the resources around us that protect us. Jesus said that he has given us the powers we need to over come them. Part of that seems to be technology he refers to as the armor of God. This seems to include systems' like evoking Jesus and the WATCHERS who are what Christians might call the GOOD or GUARDIAN ANGELS aka ALIENS.

What these Anunnaki Elohim Alien legends tell us is when they created the HYBRID ADAM they wanted to make sure that he was not given critical knowledge about what was going on outside the

Garden. They were DUMBED DOWN so to speak. They had been implanted with Alien DNA the and genetics the Jews call the "God Gene. This gene or implant is a sort of direct link to alien contact and their mind manipulations when it comes down to it. They created the race of Adams to do the work for them and to kowtow to them so that they could sit up in their thrones and point and demand that their hybrid proteges do what they tell them to do as they tell them "don't ask questions" just follow your programming.

WHERE DID THEY COME FROM

To my investigative reporters eye they are other dimensional beings that travel in and out of DARK MATTER, which corresponds to this picture above of the DARK MATTER that surrounds the earth inside the SECOND HEAVEN. We live on earth and see the FIRST HEAVEN around us every day while Jesus

and Our Heavenly Father operate in the 3 Heavenly Realm of Light.

Jesus is not one of the alien Ish Wish. Instead he created the WATCHERS while Aliens became the FALLEN WATCHERS, which is where the name FALLEN BEINGS come from.

Jesus angles or aliens, or WATCHERS so to speak, come from the 3 Heavenly Realm of Light also. Remember the word UFO stands for Unidentified Flying Objects.

From what I have studied Jesus WATCHERS do not operate as aliens do. They are not supposed to mingle with man and are unseen forces for GOOD. When people encounter them it is usually during a rescue where they show up to rescue someone but when the person turn's around there is NO ONE THERE to thank. They may be guarding you but you can't see them. Some people refer to them as GUARDIAN ANGELS, or as the GOOD WATCHERS. As you are thinking something a thought might pop into your head out of nowhere, which could be them adding to the conversation you have going on in your head. They use subtle energies and techniques on us to help guide us. Remember when you have thoughts in your head about something NOT BEING A GOOD IDEA, or something telling you NOT TO GO THERE or IT'S NOT SAFE it is probably our GUARDIAN ALIEN WATCHER ANGELS warning us to be careful. When that happens to me I say "thank you Jesus." If something happens out of the blue that is positive I call it a "God Wink" and say thank you Jesus.

The energies on earth also protect us because they are fatal to aliens. If you look at hieroglyphs and stone carvings of them from the past they wore head gear like our pilots do today..

Another example would be electromagnetic energy, which is very high in the daytime when the sun is out. The earth was created for mankind not aliens. The earth is our home not there's.

BACK TO THE TALMUD IMMANUEL, JMMANUEL, EMMANUEL

TJ - Talmud Jmmanuel audio book reading

This part of the book tells us that John the Baptist was promoting the teachings of the Alien FALLEN WATCHERS aka the Ish Wish. In the Bible account we have next to no details about who John the Baptist was except that he was a baptizer and prophet. Those who followed John the Baptist considered the Pharisees the enemy because they worshipped Satan the leader of the Elohim FALLEN WATCHERS. What this is telling us is that these different hybrid tribes worshipped different Anunnaki or Elohim FALLEN aliens and were being taught different Ish Wish knowledge.

The Hebrew people did not like or follow the alien god of the Jews who was Yahweh Ildabaothh the Demiurge, who was considered to be an evil diabolical lesser Elohim FALLEN WATCHER. The Hebrews worshipped the primary Elohim instead because they were more benevolent, taught them skills, farming, make up techniques etc. None of these tribes worshipped Jesus or Our Heavenly Father. Starting from Noah's flood, which happened around 12.500 - 9000 years ago Jesus hadn't appeared on earth yet and depending on if you starting counting from the flood period Jesus would not have appeared on earth for thousands of years or until around 3 AD.

UFOS IN THE BIBLE?
ENOCH, ELIJAH, BARUCH, PHILIP, AND EZRA ARE SOME OF THE MANY BIBLICAL CHARACTERS WHO WERE TAKEN TO THE HEAVENS BY MYSTERIOUS WHIRLWINDS AND CHARIOTS OF FIRE. SOME NEVER RETURNED. WHERE DID THOSE MARVELOUS FLYING DEVICES COME FROM?

According to this account the Talmud Immanuel, Emmanuel, it was Immanuel who met John the Baptist not Jesus. According to this account after the initiation or baptism was over the Talmud Immanuel climbed into the UFO tractor beam and was beamed up into a UFO after a voice came down from the UFO saying "this is my son in whom I am well pleased." THINK ABOUT IT.

When you think of it John the Baptist WHO WORSHIPPED THE ALIEN ISH WISH would have been frightened of Jesus. Jesus would not need to be baptized or initiated into anything. He would have been the one doing the initiation because he represented Our Heavenly Father. So again, to me the Baptism at the Jordon is not something Jesus would have participated in.

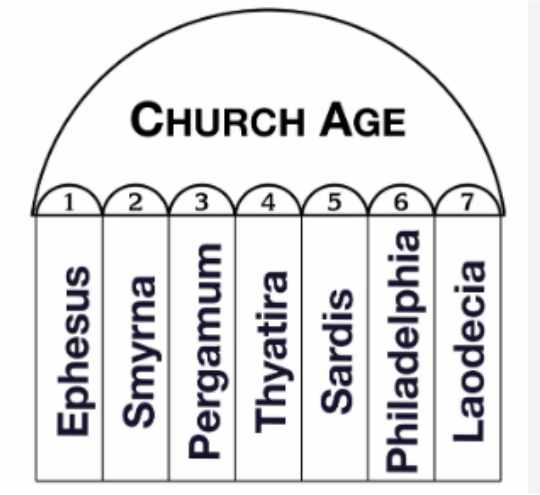
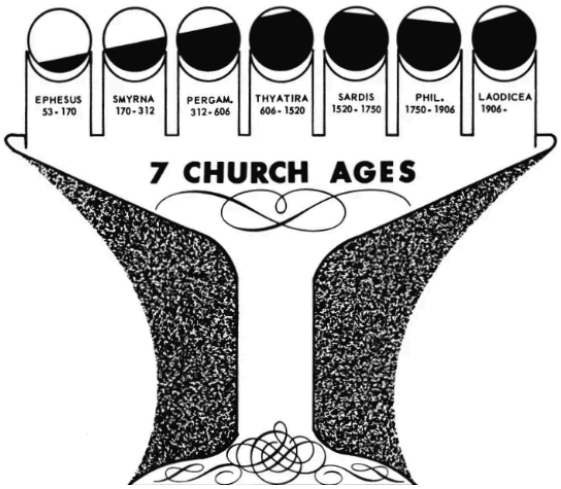
As we listen further into the TJ - Talmud Jmmanuel audio book reading it is clear that these encounters were with aliens and that what is being said is Ish Wish knowledge.

Keep in mind that we do not use the word Ish Wish today it is foreign to us. It may be a knick name for the speed they travel but that is only an uneducated guess on my part. This story was rewritten or reinterpreted in our lifetime but again we do not use this term today, we refer to them as ALIENS.

The Ish Wish is or are NOT OUR HEAVENLY FATHER. The ISH WISH LEADER was known as "the Lord." He was a celestial son who is physical but has much more technical and spirit knowledge than mankind. This means that he bleeds and can be killed essentially and as a result is surrounded by technology. The story implies that the Talmud Immanuel IS NOT JESUS either that he has a separate mission on earth.





The story implies that all of this information will be coming out today at 2 times a thousand and more which corresponds to the End of the Ages or the End of the Church Age which may correspond with the Jewish Jubilee which is 2025.

The story tells us that it was the Talmud Immanuel who spent 40 days in the wilderness meeting with the Ish Wish or the Lord of the Ish Wish and traveled into Second Heaven with them.

I tend to agree with the story because again why would Jesus need to spend 40 days in the wilderness. He came into our world with the WORD of Our Heavenly Father, he did not have to seek knowledge in the wilderness he was the bringer of knowledge and wisdom himself and my guess is that if he wanted to he would just disappear and go back to "the FATHER."

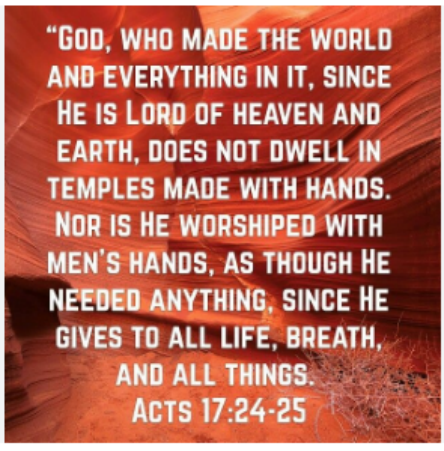
AI Examples

Talmud Immanuel tells us that the Ish Wish traveled in UFO's that shot up like an arrow, made noise and made a whirring sound. They used technologically, advanced viewing screens that their android type beings ran. The story tells us that with these view screens aliens could look inside our homes to monitor us and use their tractor beams to place aliens in our homes right through our walls also.

THE GOD WHO MADE THE WORLD
AND EVERYTHING IN IT IS THE
LORD OF HEAVEN AND EARTH AND
DOES NOT LIVE IN TEMPLES MADE
BY HUMAN HANDS.
- ACTS 17:24



"GOD, WHO MADE THE WORLD
AND EVERYTHING IN IT, SINCE
HE IS LORD OF HEAVEN AND
EARTH, DOES NOT DWELL IN
TEMPLES MADE WITH HANDS.
NOR IS HE WORSHIPED WITH
MEN'S HANDS, AS THOUGH HE
NEEDED ANYTHING, SINCE HE
GIVES TO ALL LIFE, BREATH,
AND ALL THINGS.
ACTS 17:24-25

In the story, Gabriel was a celestial son, a lead alien Ish Wish. The story does state or admit that aliens did not create the world and everything in it and that. "The LORD" (which is a title not a name)

of the Ish Wish, was a Fallen Watcher not the creator of the universe. Notice that the apostle Paul basically says the same thing.

The story tells us that just over 2000 years from the birth of the Jewish Prophet Talmud Immanuel the world will learn who he was and that he was a Jewish prophet that he was not associated with Jesus or Our Heavenly Father. ESSENTIALLY, THE TRUTH WILL BE REVEALED ABOUT HOW THE CHIRCH CORRUPTED THE IDENTITY OF JESUS WITH THE TALMUD IMMANUEL HISTORY, WHICH IS HAPPENING TODAY. We will realize that Satan or Semjaza genetically modified the Persian Gulf Adam.

AI Overview

Semjaza (or Samyaza) and Satan are often linked as fallen angels in apocryphal texts, with Semjaza sometimes seen as an "alter-ego" or early version of Satan, the leader of the Watchers who descended to marry human women, leading to the Nephilim. While Satan is the singular adversary in mainstream Abrahamic faiths, Semjaza represents the collective rebellion of the *Watchers* in the Book of Enoch, acting as a chief orchestrator of this disobedience, thus fulfilling a similar role to Satan as a catalyst for evil.

The story is basically saying that at the End of the Ages Period we are living in today aliens will be back at a time when people on earth have fallen away from the REAL TRUTH Jesus came to teach about ORIGINAL MAN his people and the alien origins behind the stories found in the Bible. This is when the JROCCC will burn. This is when people will buy into the ALIEN CARD agendas and ideologies because as Jesus said "they know not the truth."

This will be followed by a mass abduction (false rapture event) of the DEAD IN CHRIST (the fallen masses) that will also correspond with the return of Jesus and his catching up of those who follow his teaching today. The number Jesus takes will not be a large number of people. Jesus seemed to warn us when we see these things happening to GO INSIDE YOUR HOMES AND SHUT THE DOOR and stay out of the crossfire. If we are one of Jesus people, he and his WATCHERS WILL FIND US so DO NOT WORRY. Remember also that many others who are lukewarm, to use a biblical expression, seem to be those who are LEFT BEHIND to became the MEEK WHO WILL IN HERIT THE EARTH UNDER JESUS NEW ADMINISTRTION.

CONCLUSION

The interpreter of this story is promoting Jesus ideologies not Ish Wish or alien ideologies known as the "real truth and knowledge."
